## ATTENTION YOUTH GUYS!

We are so excited to be able to offer the Youth Boys Camp 2011 and Activities for our ages 12-17! We start at 10:00 am Wednesday, June 22; and end at 6:30pm Sunday, June 26. We have worked very hard to be able to have a camp that promotes activities and foundational concepts related to young men of today's culture.

If you have ever been to one of our youth or adult camps, you will find that our camp offers outdoor and indoor activities that are exciting, challenging and very much inspirational! There has never been anyone who has been to one of our camps that did not leave equipped with good memories and a better handle on life and its confrontations. We care about YOU!

You will be able to participate in camp activities such as Zip Line, Rappelling, Hiking, Basketball, Paint Ball and more! (See, "What Will I Be Doing?") All of these activities are a lot of fun and have special harness equipment and other protection for your safety. You will learn life lessons about choosing right relationships for friends, marriage, sexual pressures, planning your future, stress management, camp fire talks, and about Jesus. You will have your picture taken so you can remember your camp experience and may even be on our website to tell others about camp experience! You will be equipped to meet the challenges you face and try new things. We hope to inspire a challenged heart for the real you and start your training for life application skills. This will be a very rewarding experience for you! Main meals will be provided.

You will find enclosed a Registration Form, and a Hazardous Release Form that we use for all the camps of all age groups. **The Forms are general in use for all camps and is required to be signed and notarized prior to your attendance. If you have special needs, please contact us *before* attending.**

If you or your parents have any concerns regarding your participation in any activity, further information or clarification, please do not hesitate to contact us.

I know you will have a great time and that you will want to come again!

# What Will I Be Doing?:

## PROGRAM ACTIVITIES:

There will be optional activities (you make the decision whether you would like to participate) such as: Zip Line; Leap of Faith; Rappelling; Paddle Boat; Canoe, Hiking in the Woods, High Jump; Swimming, Archery, Paint Ball, Basket Ball, Water Sports, Challenge Courses and more!

Activities and classes will include (but not limited to) lessons of life-application challenges as a young man. You are faced with many difficult decisions today. Some have discovered that life is out of control and they have made choices they never thought they would. Many have never had a chance to live a victorious life because of abuse, neglect, confusion, etc. You will find here Biblical Truth, a dedicated team and real answers to your situation. Many youth fail because all they are equipped with are good intentions and the opinions of others.

All areas of manhood will be covered: Addictions: drugs, alcohol, smoking, aggression, failures, friends, sex, etc. will be addressed. You will learn both Spiritual and personal keys for freedom! Young men will leave with direction regarding natural gifts versus spiritual gifts and how to recognize effective leadership characteristics .

All activities and classes have an inner Biblical reality to them. Those who are considering giving their life to Christ and His ministry can check out our Intern Program.

Check out our website for more detailed information, pictures and videos about the camp.
