Hello Parents & Kids!

We are so excited to be able to offer the Day Camp activities for our Genesis Kids Camp ages 8-12! We start at 10:00 am on Friday and end at 6:00 pm on Saturday. We have worked very hard to be able to have a camp that the young kids can participate in. We are able to pick up local kids. See the Brochure for requirements.

If you have ever been to one of our youth or adult camps, you will find that our camp offers outdoor and indoor activities that are exciting, challenging and very much inspirational. We are now able to do the same for the kids!

Your child will be able to participate in activities such as Zip Line, Rappelling, Hiking, Cannon Blaster (air-powered cannon that shoots foam balls), Farm Activities with our sheep, rabbits, turkeys, chickens, shaving cream "hair do's" and more! All of these activities are age appropriate and the kids have special harness equipment and other protection for their safety. The kids will learn lessons about obedience to parents, being nice to each other, sharing, and about Jesus. They will have their pictures taken so they can remember their camp experience. Your child may even be in our web site to be able to tell others about their experience! They will have rewards for good behavior and for meeting challenges and trying new things. We hope to inspire a heart for love and respect for all. This will be a very rewarding experience for them! Lunch and snacks will be provided.

You will find in enclosed a Registration Form and a Hazardous Release Form that we use for all the camps of all age groups. **Your child will *not* participate in adult activities, the Forms are general in use for all camps and is required to be signed and notarized prior to your child's attendance. If your child has special needs, please contact us *before* attending. If you choose**

If you have any concerns regarding your child's participation in any activity, please do not hesitate to contact us. You may contact us for directions or further information.

We appreciate you to allow us to spend time with your little one. I know they will have a great time and that they will want to come again!

Sincerely,

Genesis Project Staff

WHAT WILL I BE DOING?

PROGRAM ACTIVITIES:

There will be optional activities (you make the decision whether you would like to participate) such as: Zip Line; Leap of Faith; Rappelling; Paddle Boat; Canoe, Hiking in the Woods, High Jump; Swimming, Archery, Basket Ball, Water Sports, Challenge Courses, Cannon Blaster and more!

Activities and classes will include (but not limited to) lessons of life-application challenges as a young boy or girl. Kids are faced with many difficult decisions today. Some kids have discovered that life is out of control. Many have never had a chance to live a victorious life because of abuse, neglect, fear, confusion, etc. Kids will find here Biblical Truth, a dedicated team and real answers. Many kids fail because all they are equipped with are good intentions and the peer pressure opinions of others.

All areas of young childhood will be discussed: Obedience to parents, being kind, finding out what they are like, what they are good at, aggression, failures, broken relationships, friends, responsibility, coping in school, etc. will be addressed. Kids will learn both Spiritual and personal keys for their lives! Kids will leave with fun memories, new friends, and an introduction to Jesus and His word.

All activities and classes have an inner Biblical reality to them. Check out our website for more detailed information, photos, and online video about the camp.
